STRUCTURED WORKPLACE LEARNING

Parents and students looking for a work placement to match a Vocational Education Training (VET) subject or Victoria Certificate Applied Learning (VCAL) studies, are welcome to look at the following site to explore options currently available at the Co-op.

<http://www.workplacements.education.vic.gov.au/>

Put Camperdown or Terang in the “Where” search, select the “Industry” you are interested in and click “**Search Now**”.

If there is a position available that is of interest you can click “share with your teacher”, if suitable, the School will then contact us to discuss further.

Please note only limited placements are available per school term.
